

IMAX[®] ISLAND OF LEMURS MADAGASCAR

IN IMAX AND IMAX 3D THEATRES STARTING APRIL 2014
www.islandoflemurs.imax.com

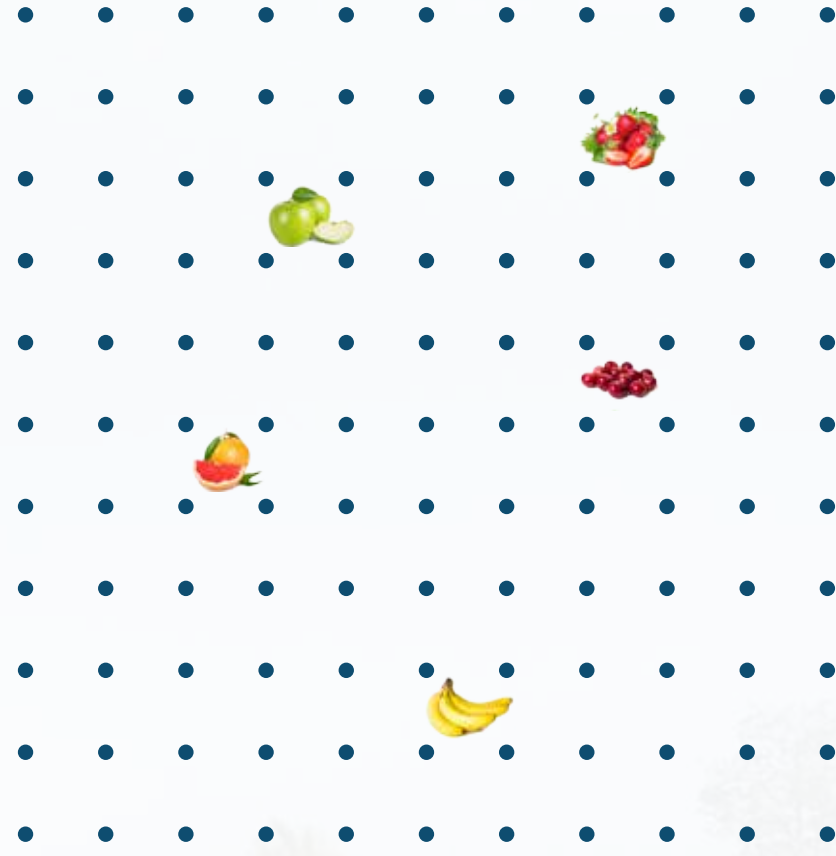

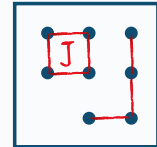

Madagascar is filled with colorful and amazing creatures.
Color these to bring them to life!

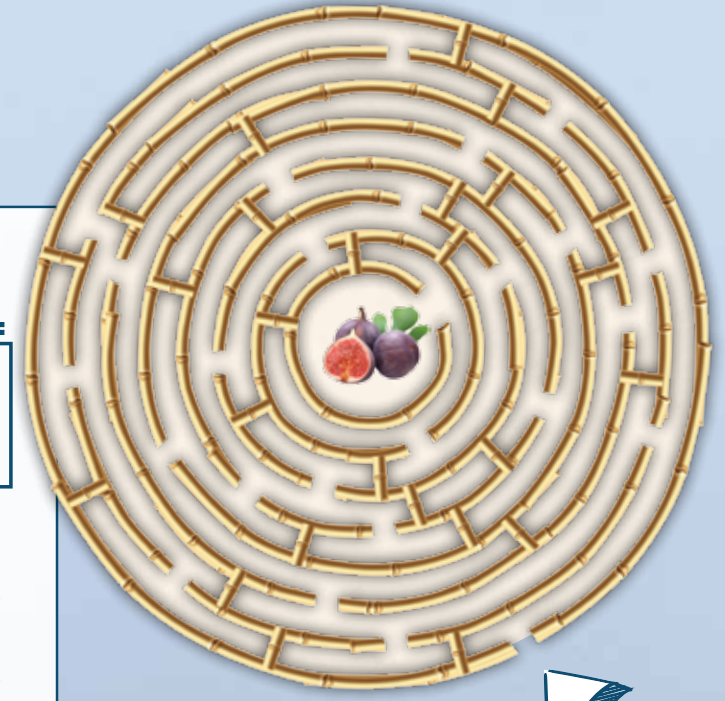

FEEDING FRENZY

- Take turns with a friend drawing a straight line either horizontally or vertically between 2 dots.
- If your line completes a box, write the first letter of your name inside of it.
- After all of the boxes are completed, add up your points.
- Plain boxes are worth 1 point. Boxes with food are worth 3 points!
- The player with the most points wins!

EXAMPLE:

SNACK TIME!

Figs are a favorite treat of the Ring-tailed lemur. Help him through the maze for a delicious meal!
